CONSENT I have reviewed this Agreement and agree to its terms. I understand that the attorney will use his best efforts and expertise to reduce or eliminate the imposition of DMV and insurance points and to prevent a driver's license suspension, but that he cannot guarantee any particular result in this matter. I will provide written instructions, if I wish to limit the attorney's discretion as to any plea to be entered on my behalf or if I have any special requirements as to the disposition of the case.

WAIVER I do hereby waive my Constitutional right to appear in court and contest the charges against me at trial, and appoint Kevin M. Kennedy, or any attorney standing in his place, to act on my behalf and to enter such plea(s) as they may deem fit to best represent me in this matter.

I request that the Court accept my waiver of trial and accept my plea, and that a verdict be entered without further hearing. This request is made with the full understanding that a verdict will be entered against my record, and that it will have the same legal effect as a verdict entered after hearing.
